

ABSA CAPE CENTRES GATHERING 2011

Port Elizabeth Centre has pleasure inviting you to join us for a few days of MG fun and fellowship at the 2011 Cape Centres Gathering.

The event will be held in the historic and picturesque town of Graaff-Reinet, winner of the Kwela and Rapport "Town of the Year" 2010 award, the fourth oldest town in SA and the heart of the "Great Karoo" – Place of Thirst.

The event will be based round the well known 4 star Drostdy Hotel in the centre of town. The majority of accommodation will be at the hotel, and overflow will be in the similarly equipped Camdeboo Guest House across the way. .

There is ample guarded parking on site. The rooms have recently been refurbished, are modern and fully equipped with all necessary amenities including TV's and air conditioning. The hotel complex is in the heart of the town and within easy walking distance of most major amenities and attractions.

There's a Ladies bar as well as Kromm's Inn, a charming pub in Stretch's court with indoor and outdoor seating, ideal for a Natter and Noggin, the Thibault Function Centre and a captivating pool & outdoor entertainment area. The hotel has beds for 130 people in cottages in the picturesque, bougainvillea lined Stretch's Court. Accommodation will be allocated strictly on a 'first come first served' basis.
